9. Click **Finish** once the wizard has finished updating.

Finish
ATT, ADLL and ADRS have now been updated to the week shown on the DVD.

Updating ADMIRALTY e-Readers 1.3 and 1.4

AENP **ADMIRALTY** e-Nautical Publications

This guide is intended for AENP users that use ADMIRALTY e-Readers 1.3 and 1.4.

Steps to follow:
1. Install the AENP Catalogue and NM updates
2. Install AENP Editions (if required)
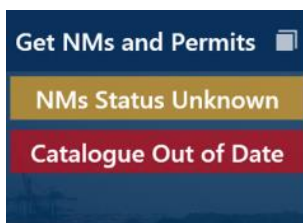

Installing the AENP Catalogue and NM Updates

The AENP Catalogue and NM updates are loaded from the DVD in a single process.

**Permits will need to be obtained separately using the internet or email communication method.**

1. Click **Tools** on the right-hand menu to bring up the 'Tools' screen.

   Tools

2. Click **Get NMs and Permits** on the 'Get NMs and Permits' tile.

   Get NMs and Permits
   NMs Status Unknown
   Catalogue Out of Date

3. Click **Next**.

   Next

4. Click **Media** to select it.

   Media

5. Click **Next**.

   Next

6. Click **Browse** to bring up the 'Browse For Folder' window.

   Browse

   Navigate to the DVD location and click **OK**.

7. Click **Load** to install the AENP Catalogue and NM Updates.

   Load

   When the AENP catalogue and NM updates have been installed, a message will be shown.

   The following media items successfully loaded
   Catalogue
   e-NP file

   Your AENP catalogue and NM updates are now up-to-date to the week shown on the DVD.

Installing AENP Editions

1. Click **Tools** on the right-hand menu to bring up the 'Tools' page.

2. Click **Load e-NPs** on the 'Load e-NPs' tile.

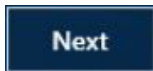

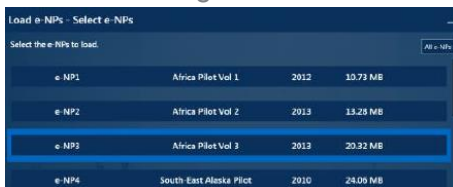

3. Click **Next**.

4. Click **Media** to select it.

5. Click **Next**.

6. The next page allows you to select which AENPs load. AENPs you are licenced to view that are not installed will be selected by default. The selection can be modified by selecting and deselecting individual AENPs.

Clicking **All e-NPs** will select all available AENP editions for installation.

7. Click **Next** to continue.

8. Click **Browse** to bring up the 'Browse For Folder' window.

   Navigate to the DVD location and click **OK**.

9. Click **Load** to install the selected AENP editions.

   When the selected AENP editions have been installed, the message "Successfully loaded eNPs" will be shown. The AENP editions installed will be shown on screen.

   Newly installed AENP Editions may require NM Updates.
