### Admiralty e-NP

This is in relation to your recent submission and product demonstration for evaluation, in which you sought the views of the Maritime and Coastguard Agency (MCA) on the Admiralty e-NP suite of digital publications.

On the basis of our meeting at MCA Headquarters and the supplementary information provided, I am pleased to advise you that the MCA recognises the UKHO's e-NP suite as satisfying the carriage requirements for individual nautical publications contained within the suite under Regulation 19.2.1.4 of Chapter V of the Safety of Life at Sea (SOLAS) Convention and the corresponding Merchant Shipping (Safety of Navigation) Regulations 2002.

This recognition is given on the understanding that the UKHO is applying suitable measures to ensure that any updates to the above are made available to the end-users in a timely manner.

Please sign below as acknowledgement of the above and return the signed copy to the MCA.

Yours sincerely
