

12. NATIONAL CLAIMS TO MARITIME JURISDICTION

Source: UKHO.

Former Notice 12/19 is cancelled. Additions and amendments to the former Notice are indicated by sidelines.

- The following list shows the breadth of sea (measured from the appropriate baselines) claimed respectively as territorial sea (TS), contiguous zone (CZ), exclusive economic zone (EEZ), and fishery zone (FZ) where no EEZ is claimed, as being under the state's jurisdiction. The information is compiled from various, sometimes unofficial sources; the absence of a limit from this list indicates that the information is not held.
- The claims are published for information only. Her Majesty's Government does not recognise claims to territorial seas exceeding twelve nautical miles, to contiguous zones exceeding twenty four nautical miles or to exclusive economic zones and fisheries zones exceeding two hundred nautical miles.
