L5637(P)/19 SCOTLAND — West Coast — — Signal station. Automatic Identification System.
Source: Queen's Harbour Master, Clyde

1. A new signal station, with Automatic Identification System, AIS, has been established in the following position: 55° 59' ·42N., 4° 51' ·18W.
2. These changes will be included in New Chart 3746 to be published late 2019. (ETRS89 DATUM)

Chart affected — SC5610
Notices to Mariners - Weekly Edition 47/2019 International Chart Series, Scotland -
West Coast, Firth of Clyde, Loch Long and Loch Goil.

Charts SC5610-1 and SC5610-2 WGS84 DATUM
The following changes were published in the new edition of chart 3746, which is the source chart for the
above folio sheets:

*Includes changes to depths from the latest British Government surveys. Mariners should therefore
navigate with caution on sheets SC5610-1 and SC5610-2 and be aware that any subsequent Notices
to Mariners applied to these sheets are issued for information only.*

These changes will be included in the next new edition of SC5610.

Charts affected — SC5610

Chart SC5610-9 WGS84 DATUM
The following changes were published in the new edition of chart 2491, which is the source chart for the above folio sheet:
Includes significant safety-related information as follows: new Ardrossan Harbour limit, narrow channel limit and submarine power cables. Mariners should therefore navigate with caution on sheet SC5610·9 and be aware that any subsequent Notices to Mariners applied to this sheet are issued for information only.

These changes will be included in the next new edition of SC5610.

Chart SC5610·3 and SC5610·4 WGS84 DATUM
The following changes were published in the new edition of chart 1994, which is the source chart for the above folio sheet:

Includes significant safety-related information as follows: changes to depths in Great Harbour from the latest Clydeport Operations Ltd survey. Mariners should therefore navigate with caution on sheets SC5610·3 and SC5610·4 and be aware that any subsequent Notices to Mariners applied to these sheets are issued for information only.

These changes will be included in the next new edition of SC5610.

Chart SC5610·3 WGS84 DATUM
The following changes were published in the new edition of chart 2000, which is the source chart for the above folio sheet:

Includes changes to depths from the latest British Government surveys. Mariners should therefore navigate with caution on sheet SC5610·3 and be aware that any subsequent Notices to Mariners applied to this sheet are issued for information only.

These changes will be included in the next new edition of SC5610.
