________________________

Charts SC5610·12, SC5610·13, SC5610·14 and SC5610·15 WGS84 DATUM

The following changes were published in the new edition of chart 2126, which is the source chart for the above folio sheets:

Includes changes to depths from the latest British Government surveys. Mariners should therefore navigate with caution on sheets SC5610·12, SC5610·13, SC5610·14 and SC5610·15 and be aware that any subsequent Notices to Mariners applied to these sheets are issued for information only.

These changes will be included in the next new edition of SC5610.
The Notices to Mariners (NMs) listed below apply to the previous edition of SC5610 (5th Edition) published on 26th Nov 2015.

The [5th] Edition of this product dated 26th Nov 2015 has been withdrawn and superseded by a New Edition of the same title. Navigational and safety related changes have been incorporated in the New Edition. It must be fully understood that use of the information attached will enable the updating of the [5th] edition to the point at which it was withdrawn 26th Sept 2019. It is strongly recommended that the latest available edition of the product should be used.
