

To accompany Notice to Mariners 5840/17

On Chart 1107

SUBMARINE CABLES AND PIPELINES
Mariners are advised not to anchor or trawl in the vicinity of submarine cables and pipelines.

To accompany Notice to Mariners 5877/17

On Chart 1926

CAUTION
Due to piracy activity in the region, the Maritime Security Transit Corridor (MSTC) has been established. The MSTC incorporates the Internationally Recommended Transit Corridor (IRTC), the Bab El Mandeb TSS and TSS West and South of Hanish Al Kubra. There is a two-way route connecting the IRTC and the Bab El Mandeb TSS. For further details, Mariners should refer to Maritime Security Chart Q6099, the Admiralty List of Radio Signals and The Mariners Handbook (NP100).
